8

Drive the wedge and drop the hamm-er, Heave 'em up and haul 'em in,

13

Ev - 'ry block a new re-mind-er; where we are and where we've been. *Ooh*

18

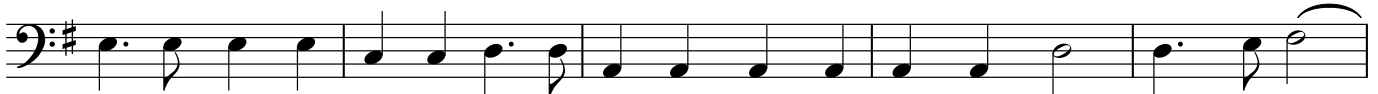

25

Drive the wedge and drop the hamm-er, Knock 'em down and split the stone,

29

Mill-ion years and more it's lain, to build our church-es, streets and homes. Where'd you get

34

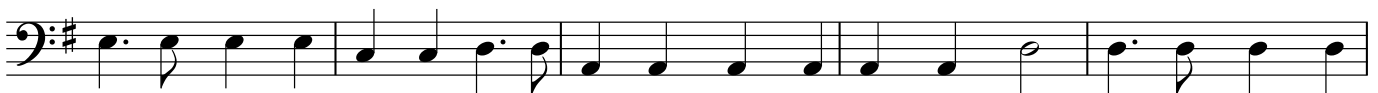

— What a sight — Took a part — For to build your ci-ty's walls

41

Drive the wedge and drop the hamm-er, Knock 'em down and split the stone,

45

Mill-ion years and more it's lain, to build our church-es, streets and homes. Drive the wedge and

50

drop the hamm-er, Heave 'em up and haul 'em in, Ev - 'ry block a new re-mind-er;

55

where we are and where we've been. *Stead-y now!* *Hit 'er back!* *Drive 'er in!* V.S.
